NEW YORK | PERSONAL INJURY

Motion to Dismiss Case Concerning Sexual Abuse Denied By Court

Plaintiff commenced an action seeking to recover damages for personal injuries sustained as a result of alleged sexual abuse by Reginald Archibald, a pediatric endocrinologist, who provided medical screenings and other medical services for young boys who attended a program called the "Clubhouse", ran by defendant. Defendant moved to dismiss. The motion was denied. The court held the complaint stated that plaintiff was introduced to Archibald in 1977 when he first attended defendant's Clubhouse and was required by defendant to undergo a physical examination which led to his sexual abuse and injury. Despite defendant's arguments, the court held plaintiff sufficiently pleaded a cause of action for negligence.

Justice Adam Silvera

T.F. v. Madison Sq. Boys & Girls Club, 951129/2021 (June 30)

NEW YORK | PERSONAL INJURY

Motion to Amend Notice of Claim Granted By Court

In a personal injury action, plaintiff Salieu Jobe alleged that, on April 19, 2025, he was riding his bicycle along Central Park North when he was struck by an unidentified M4 Bus. Plaintiff sought to amend his notice of claim, complaint and bill of particulars to reflect the accurate time of the accident. The motion was granted. The court held that allowing the proposed amendment to the notice of claim would not prejudice the Transit defendants, as the information contained in the original notice was sufficient to enable the Transit defendants to commence an investigation

NEW YORK | LANDLORD TENANT LAW

Summary Judgment in Landlord-Tenant Proceeding Denied

A summary nonpayment proceeding was filed in January 2025. Respondent filed a pro se answer on February 19, 2025. After two court appearances, petitioner made a motion for summary judgment. The motion was denied. The court held The DHCR rent history reflected the premises as being exempt from rent stabilization as of July 15, 2005. The registration immediately prior, on June 28, 2004, showed the tenant as "Michael Asch," with a legal regulated rent of \$1,713.78 and a lease term of March 1, 2004 to February 28, 2005. However, the lease for Michael Asch submitted by both parties included a term of July 1, 2004 through June 30, 2005, with a monthly rent of \$2,022.26. This conflicted with the information registered with DHCR.

KINGS | LANDLORD TENANT LAW

Court Awards Petitioner Legal Fees and Use And Occupancy Fees

Petitioner commenced a holdover proceeding against the respondent and undertenants alleging that Forbes Lynch, the tenant of record had moved to another residence and no longer resided at the premises as his primary residence and or respondent sublet the premises to other individuals. The case commenced in March 2018. Petitioner now sought by motion legal fees against the tenant of record, Forbes Lynch, as the prevailing party in the amount of \$62,519.50 and sought use and occupancy and fees for \$64,421.96 through December 2023. The court held that the amount billed for, are fair, accurate and reasonably relate to the tasks performed. After calculating the amount of time spent, the expertise involved, the results achieved and the reasonable expenditure for work performed in this case, the court held that some of the fees for retrieving files, or reviewing court notifications, and reviewing court documents were excessive and awarded the petitioner \$54,780. Petitioner was also awarded \$65,298.97 in use and occupancy fees.

RICHMOND | TRUSTS AND ESTATES

Defendant's Summary Judgment Granted; Showed He Did Not Have Power of Attorney

Third-party defendant sought to have the court issue summary judgment on the remaining causes of action in a third-party complaint for: (1) breach of fiduciary duty, (2) conversion, (3) breach of contract, and (4) accounting. Third-party defendant alleged that he was never a fiduciary for the decedent and never held a power of attorney over decedent's finances, and that there was no admissible evidence to support these claims. Third-party plaintiff sought to have the court issue partial summary judgment. Defendant's motion was granted. The court held defendant established through their sworn affidavits and reference to the statute of limitations for claims of conversion a *prima facie* showing of entitlement to judgment as a matter of law, shifting the burden to the plaintiff to raise a triable issue of fact. The plaintiff in opposition failed to raise a triable issue of fact as it failed to provide evidentiary proof that a fiduciary relationship between third-party defendant and decedent existed or that third-party defendant ever possessed a power of attorney over decedent's finances.

SUFFOLK | MOTOR VEHICLE TORTS

Summary Judgment Denied in Motor-Vehicle Accident Case

In an action to recover damages as a result of a motor vehicle accident, plaintiff's motion for summary judgment on the issue of negligence was denied. The court held that a triable issue of fact existed as to whether, under Vehicle and Traffic Law 1142, plaintiff, who was traveling straight, was so close to the intersection as to constitute an immediate hazard requiring defendant to yield the right of way before turning left. Although plaintiff claimed that defendant suddenly began to turn when plaintiff was approximately one car length away from the intersection, defendant alleged that she did not expect plaintiff's vehicle to reach her vehicle so quickly since it was a considerable distance away at the time she began to turn. Plaintiff's motion was denied without prejudice to renewal after the completion of discovery.

Justice Thomas F. Whelan

Fabricatore v. Keenan, 628153/2024 (August 1)

SECOND CIRCUIT | CRIMINAL LAW

Cases Properly Joined; Causal, Financial Links Between Tax, Fraud Offenses Alleged

After improperly withdrawing hundreds of thousands of dollars from a union retirement fund fiduciaries Wynder and Brown were convicted of wire fraud and conspiracy to commit wire fraud. Wynder was also convicted of tax evasion and conspiracy to defraud the United States. They challenged their convictions and sentences arguing that their cases were improperly joined, prosecutorial misconduct, counsel's ineffectiveness, and that district court erred when calculating restitution. Affirming district court's judgment, Second Circuit concluded that defendants' cases were properly joined, that Wynder's counsel was not per se ineffective, and that defendants' other arguments lacked merit. Defendants' cases were properly joined because the indictment sufficiently alleged causal and financial links between the tax and fraud offenses. Some of the funds Wynder failed to report to the IRS were sourced from the fraud scheme. Also, Brown's communications with Wynder and the union's members showed that Brown knew that the withdrawals were improper, and that he derived a benefit from the fraud scheme.

Chief Judge Debra Ann Livingston

U.S. v. Wynder, Jr., 24-213 (August 7)

SECOND CIRCUIT | CIVIL PROCEDURE

Claim Preclusion Cannot Be Used Offensively To Compel Judgment for Claim's Balance

When Brown filed for bankruptcy Thermal Surgical had claims pending against him in district court for breach of their non-compete agreement. Bankruptcy court allowed Thermal Surgical's proof of claim, to which Brown did not object, and Brown waived his right to discharge. Thermal received a distribution from Brown's bankruptcy estate in satisfaction of a fraction of its claims. Allowing Thermal Surgical to use claim preclusion offensively, district court granted it a money judgment for the balance of the allowed claim. Second Circuit vacated, and remanded, judgment. It concluded that application of claim preclusion would be unfair because Brown had less incentive to pursue the unlitigated claim in the bankruptcy court. Second Circuit also had serious doubts whether claim preclusion could ever be used offensively to compel a judgment rather than to resist a claim. Claim preclusion applies to claims that could have been litigated even if they were not, and a party defending a claim may have good reasons separate from the merits to forego asserting a defense in a particular circumstance.

Circuit Judge Beth Robinson

U.S. - SDNY | IMMIGRATION LAW

ICE Arrestee Granted Habeas Relief, Ordered Released From ICE Custody

Petitioner Lopez Benitez fled Paraguay, seeking "protection from persecution." in 2023. On May 14, 2023, U.S. Customs and Border Protection charged him with removability and simultaneously released him on his own recognizance under INA §236. He lived in Queens without incident—regularly appearing in immigration court, and filing an asylum application in January 2025—until July 16, 2025, when masked ICE agents arrested him after he was leaving a scheduled immigration court hearing in Manhattan. Detained at 26 Federal Plaza, petitioner was served with Form I-200 arrest warrant before being transferred to an ICE processing center in Texas. Instantly, district court granted Lopez Benitez 28 USC §2241 habeas corpus relief, and ordered his release from ICE custody. The court found petitioner held pursuant to the Homeland Security Department's discretionary authority under 8 USC §1226(a). Further, his detention violates due process. There was no individualized custody determination, especially as to his flight risk or dangerousness to the community. The facts showed petitioner entitled to more due process.

U.S. - EDNY | CRIMINAL LAW

Habeas Relief Denied; Plea Agreement Included Collateral Attack Waiver

Espinal was a member of the violent MS-13 gang. On Jan. 14, 2013, he pleaded guilty to causing a death through the use of a firearm, in violation of 18 USC §924(j)(1). On July 10, 2013, he was sentenced to 405 months in prison followed by three years' supervised release. The court denied Espinal 28 USC §2255 habeas corpus relief rejecting his claims that his conviction and sentence should be vacated based on the Supreme Court's decisions in *Johnson v. U.S.* and *U.S. v. Davis* that RICO conspiracy cannot serve as a crime of violence under 18 USC §924(c)(3)(a), and that counsel' ineffectiveness in connection with his guilty plea thwarted the knowing and voluntary nature of his guilty plea. The court found Espinal's claims meritless. Espinal's plea agreement included a waiver of collateral attack. Also, that the firearms count, in addition to the substantive murder, also referenced the murder conspiracy did not raise any constitutional issue under *Davis*. Espinal was properly advised as to the substantive murder in aid of racketeering offense that formed the predicate of the firearm charge, and admitted thereto.

Espinal v. U.S., 10-cr-0074 (August 8)

U.S. - WDNY | EMPLOYMENT LITIGATION

Issues Exist as to Receipt of EEOC's Right-to-Sue Letter, Date Complaint Filed

Hired in August 2022, plaintiff was promoted that December, before being diagnosed with vertigo. In February 2023 she accepted a new position as manager of The Woodlands Apartments. Her office was later relocated to a basement. She broke her ankle on June 29, 2023. On Sept. 14, 2023 she was diagnosed with idiopathic intercranial hypertension. Her employment was terminated the day prior to a follow-up visit to her doctor on Sept. 28, 2023. Plaintiff's employment discrimination action alleged defendant former employer's violation of the Americans with Disabilities Act. Instantly, the court denied defendant's motion to dismiss suit under FRCP 12(b)(6) for failure to state a claim because plaintiff's claims were time-barred, as not filed within 90 days of her receipt of a right-to-sue letter from the EEOC. The court also denied plaintiff's cross-motion to have her claims be deemed timely filed. Fact issues existed as to plaintiff's receipt of the EEOC's right-to-sue letter and the date her complaint against defendant former employer was filed.

At a session of the Court, held at Court of Appeals Hall in the City of Albany, on the 24th day of July, 2025

Present, HON. ROWAN D. WILSON, Chief Judge, presiding

ORDER:

WHEREAS, the Court of Appeals recognizes that a significant number of J.D. and LL.M. students are experiencing delays obtaining student visas that may impact their ability to appear on campus, in-person by the commencement of the Fall 2025 semester; and

WHEREAS, despite these delays, such students may wish to commence the Fall 2025 semester as scheduled; and

WHEREAS, the Court of Appeals remains fully committed to ensuring compliance with the limitations on distance learning contained in sections 520.3(c)(2), 520.3(c)(3), and 520.6(b)(3)(v), and 520.6(b)(3)(viii) of the Rules of the Admission of Attorneys and Counselors at Law (22 NYCRR 520.3[c][2], 520.3[c][3], and 520.6[b][3][v], and 520.6[b][3][viii]); and

WHEREAS, the Court of Appeals expects that law schools and law students will make all reasonable and practicable efforts consistent with the delays noted above to comply with the distance learning limitations contained in sections 520.3(c)(2), 520.3(c)(3), and 520.6(b)(3)(v), and 520.6(b)(3)(viii) of the Rules of the Admission of Attorneys and Counselors at Law (22 NYCRR 520.3[c][2], 520.3[c][3], and 520.6[b][3][v], and 520.6[b][3][viii]); it is

ORDERED that for any J.D. or LL.M. student enrolled during the Fall 2025 semester at a law school approved by the American Bar Association, who has been unable to gain entry to the United States before the commencement of the Fall 2025 semester due to delays in processing the student's visa application, strict compliance with the distance learning limitations contained in sections 520.3(c)(2), 520.3(c)(3), and 520.6(b)(3)(v), and 520.6(b)(3)(viii) of the Rules of the Admission of Attorneys and Counselors at Law (22 NYCRR 520.3[c][2], 520.3[c][3], and 520.6[b][3][v], and 520.6[b][3][viii]) is hereby waived to the extent that any J.D. or LL.M. student who is issued a visa on or before October 3, 2025 and who commences in-person instruction within 10 days of the date the visa is issued, may attend classes via distance learning until such date; and it is further

ORDERED that, upon satisfying the rules of this Court in all other respects, and upon an applicant's presentation to the New York Board of Law Examiners proof and a certification establishing that the applicant obtained a visa to enter the United States on or before October 3, 2025, and regularly attended courses in-person, on campus within 10 days of the date the visa was issued, together with a separate certification from the student's law school verifying the same, failure to comply with the above-referenced provisions shall not bar the applicant from sitting for the New York bar examination or from being admitted to the New York bar; and it is further

Pursuant to article VI, § 28(c) of the New York State Constitution and section 211 of the Judiciary Law, upon consultation with the Administrative Board of the Courts, and with the approval of the Court of Appeals of the State of New York, I hereby amend, effective July 7, 2025, sections 24.6(g), (n) and 25.18 of the Rules of the Chief Judge, by adding the underlined material and removing the [bracketed] material, to read as follows:

PART 24. TIME AND LEAVE

Section 24.6. Other Leaves With Pay

(g) Conferences. Four days' leave per annum without charge to an employee's leave credits may be allowed to attend conferences of recognized professional organizations. Such conferences must be directly related to the employee's profession [of] or professional duties. This leave is subject to the prior approval of the administrative authority and to the staffing needs of the court or agency.

(n) The Chief Administrator of the Courts or [his or his] their designee may grant leaves with pay for reasons not itemized in this Part.

PART 25. CAREER SERVICE

Section 25.18. Establishment of a Continuing Eligible List

The Chief Administrator of the Courts may establish a continuing eligible list for any class of positions for which [inadequate numbers of qualified persons are found available for recruitment or appointment] such lists are appropriate. The Chief Administrator may only establish continuing eligible lists for any class of positions filled through open competitive examination. Names of eligibles shall be inserted in such list from time to time as applicants are tested and found qualified in examinations held at such intervals as may be prescribed by the Chief Administrator. Such successive examinations shall, so far as practicable, be constructed and rated so as to be equivalent tests of the merit and fitness of candidates. The name of any candidate who passes any such examination and who is otherwise qualified shall be placed on the continuing eligible list in the rank corresponding to his or her final rating on such examination. The period of eligibility of successful candidates for certification and appointment from such continuing eligible list, as a result of any such examination, shall be fixed by the Chief Administrator but, except as a list may reach an announced terminal date, such period shall not be less than one year; nor shall such period of eligibility exceed four years, except as provided in section 25.17 of this Part. Suffolk County
SUPREME COURT
Court Notices

Please take notice that papers commencing an action or special proceedings in the Supreme or County Courts pursuant to the newly amended provisions of CPLR 304 and 306-b are to be filed with the County Clerk and not the clerks at the courthouse. In Suffolk County, the "clerk of the court" is the Suffolk County Clerk for the purposes of CPLR 304 and 306-b (see, County Law Sec.25 sub. 1).

The clerks at the courthouses cannot accept papers filed for the purposes of commencing an action or special proceeding. Papers improperly filed with the clerks at the courthouses will not be transferred to the County Clerk for filing and will, instead, be returned to the filer.

Be advised, papers improperly filed with the clerks at the courthouse may not be deemed a "filing" which tolls the running of the applicable statute of limitations.

Please take notice that no Request for Judicial Intervention or its copies will be accepted by this court unless stamped on its face is the County Clerk's certification that the fee for its filing has been paid. This office will not transmit fees for Requests for Judicial Intervention or Index Numbers to the County Clerk. In instances where a fee for a Note of Issue is required present practices will continue.

The County Clerk requests that where practicable the Request for Judicial Intervention and fee not be accompanied by papers for submission to the court. Please include a stamped self-addressed envelope in order to expedite the return of your receipted RJL.

The Bar is requested to file stipulations of discontinuance in cases which have been assigned under the Individual Assignment System with this office in the first instance. After processing, this office will file the discontinuance with the County Clerk.
